**ORTHODONTIC
SCHOLARSHIPS**

2019

This form can be scanned and emailed to info@fraserdental.co.nz, posted, or dropped in to 1 Wiseley Rd, Hobsonville.

In 2019, Fraser Dental will select one deserving student to receive a \$5,000 prize for orthodontic treatment.

What is the Orthodontic Scholarship?

The Orthodontic Scholarship is one prize of \$5,000 towards orthodontic treatment at Fraser Dental Centre. The prize is awarded to one deserving student attending either Hobsonville Point Primary or Secondary School. Students are nominated by friends, family, and members of the community. The winner is selected by our scholarship committee including Dr Alex McIntosh and Dr Milan Raniga.

How does it work?

From 1 August until 31 August 2019, we will be accepting applications for nominees (see application form on the back). After applications close the scholarship committee will select the finalists to attend Fraser Dental for a complimentary orthodontic consultation. Following this consultation, the committee will select the scholarship winner at the end of September 2019. The winner will receive a prize of \$5,000 towards orthodontic treatment at Fraser Dental. See the full terms and conditions on our website for more information.

Who is eligible to enter?

Nominations are open to students in Years 7-13 who currently attend one of the following schools: **Hobsonville Point Primary School** and **Hobsonville Point Secondary School**.

What are we looking for in a nominee?

We are looking for a deserving student who would benefit greatly from orthodontic treatment. In particular, we are looking for an achiever. To assist our committee's decision, you can provide information on the nomination form about any of the following:

- [Achievement in the arts](#)
- [Achievement in the sporting arena](#)
- [Academic achievements](#)
- [Community involvement](#)

Ideally, the nominee will excel in at least one of these key areas.

How do I nominate someone?

Visit fraserdental.co.nz/scholarship to nominate a student online, or fill out the form on the back of this brochure. This form can be scanned and emailed, posted, or dropped in to the practice at 1 Wiseley Rd, Hobsonville.

Who can nominate a student?

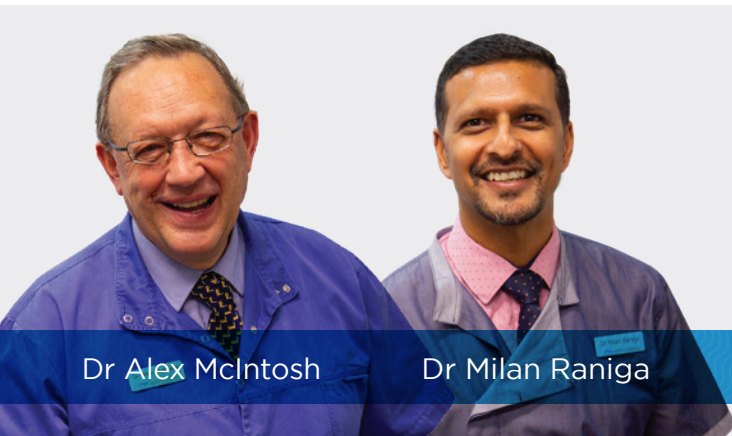

Parents, guardians, whanau, teachers, other students, and peers of the nominee are all welcome to submit nominations.

What information should I include in the nomination?

Include everything! The more great stuff you tell us about your nominee, the better their chances of being selected for the scholarship. In the last box labelled "TELL US ANYTHING ELSE THAT WILL HELP" make sure you include anything you think is important for us to know about this nominee's circumstances. Students that have been nominated by more than one person have a better chance of being selected, so spread the word and get nominating!

Please read the terms and conditions on our website before nominating.

Good luck!

Dr Alex McIntosh

Dr Milan Raniga
