# SMILE SAVER

THE AFFORDABLE DENTAL SAVINGS PLAN

## What is Smilesaver?

Smilesaver is an initiative we offer at Fraser Dental that will help you afford the dental care you need. We want to help more people avoid unexpected dental bills, and that's why we created Smilesaver.

At its heart, Smilesaver is a savings plan requiring very small weekly payments. From just \$9 per week, you can have all the routine dental care you need, for as long as you need it.

Apply for Smilesaver today, and together we'll keep you in great oral health.

## How does Smilesaver work?

Simply decide on your Smilesaver plan – Plan Nine, Plan Twelve, or Plan X and start making regular payments to your Smilesaver account. As a 'welcome' to Smilesaver, we will give you a \$50 credit to get you started. You can use this for any treatment or products you wish.

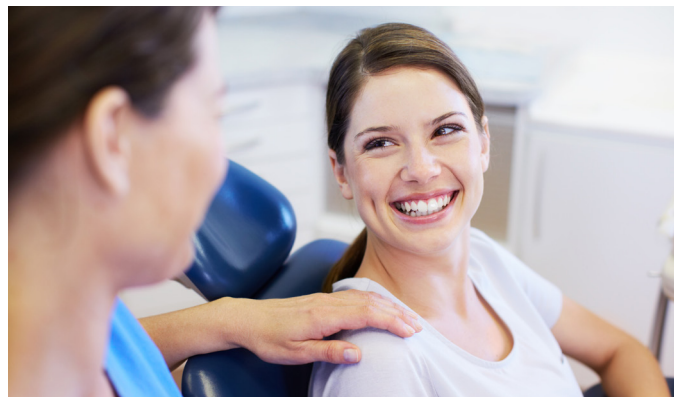

- **Plan Nine** \$9 per week
- **Plan Twelve** \$12 per week
- **Plan X** \$ you choose

After six months of payments, we will book you in for your first Smilesaver check-up or Hygienist appointment.

As you build up your Smilesaver savings over time, you can book in for dental check-ups, Hygienist appointments, fluoride treatments, and even fillings if you need them.

If you want to save for elective treatments such as cosmetic work or teeth whitening, choose Plan X and set your weekly payments at a level you can afford.

When you are due for your appointments, we'll get in touch with you and give you priority booking that suits your schedule. If you don't use all your Smilesaver funds in a single year, they will just keep accumulating and we will send you regular updates so you know how much you're saving.

## Which Smilesaver is right for me?

If you are aged 18-23 and you already have good oral health, you may only need Plan Nine.

If you are over 23 years old or you enjoy having your teeth professionally cleaned more often than once a year, you should choose Plan Twelve.

Plan X is for patients who wish to design their own Smilesaver. If you choose Plan X, one of our team will contact you to create a plan that suits your needs.

**Apply today and start saving your smile!**
